GRADUATING INFORMATION TECHNOLOGY DIPLOMA STUDENT

Ker Qian Ning

ABOUT

As an IT graduate from Nanyang Polytechnic, I am an analytical problem-solver with strong programming skills. I engage in programming competitions and tech planning committees, ensuring high code quality through best practices. Staying updated with industry trends fuels my passion for technology.

WORK EXPERIENCE

FRONT-END INTERN

Sales Transformation, JAPAC | Oracle | 2024 - 2025

- Developed and improved user experience for employee engagement web platform modules, using Vue.js and APIs, collaborating closely with product managers, designers, and other developers
- Developed automated, responsive HTML email templates, ensuring seamless cross-client compatibility
- Prototyped and presented applications in Oracle Visual Builder, a low-code platform
